

Dear Monarch Parents,

Given the latest developments and updates from the County Public Health Department, we have decided to close both Monarch Calaveras and Piedmont campuses in Milpitas for three weeks, effective *Monday, March 16th through Friday, April 3rd*. Teachers are preparing homework packets and will be ready for pick-up by parents on Monday, the 16th. School will not be open on Monday but teachers will come in to prepare homework packets for parents to pick-up.

- Calaveras Campus Parents, please pick up your child's homework packet any time 12 noon ~ 1:00 PM on Monday, the 16th.
- Piedmont Campus Parents, please pick up your Child's homework packet on Monday, March 16th between 1:00 PM~ 2:00 PM
- Please clear your child's cubby as the school will be disinfected.

Teachers will be communicating with you through the See-Saw app, giving updates and news as things develop. Please use the app freely to communicate with your teacher regarding homework questions or concerns. We are tentatively planning to re-open school on Monday, April 6th, but this will depend on how things progress from this point. We are working on developing an online remote learning system which we can utilize during this time. We will keep you informed as soon as we get it up and running.

Let's continue to trust God for the guidance and protection to get through these times. Let's avoid panic and alarm. Keep to the facts and continue practicing common sense guidelines regarding our day-to-day activities. John 14:1 says, *"don't let your heart be troubled. You believe in God; believe also in me."*

We will continue to give updates and communicate by email.

Sincerely,
Monarch Christian Schools
